TRAVEL AND ACCOMMODATION

Travel within Australia and to New Zealand can be at economy rates - QANTAS is the preferred carrier, Virgin as the second. Accommodation should be 5 star standard where possible with airport transfers to and from the accommodation/venue included.

PAYMENT TERMS

Bookings can only be confirmed once a signed Speakers Agreement and a 50% deposit payment have both been received.

CLIENT BRIEFING

Once the booking is confirmed Geoff requests that a briefing meeting/call be conducted as soon as possible. The more detailed the briefing and the more notice, the better prepared Geoff will be for the event.

AUDIOVISUAL

In general Geoff customises a fresh PowerPoint presentation for each speaking engagement. He will provide a copy of this and a PDF in advance of the event and as per the AV schedule provided by the client. The PDF copy can be shared with attendees. Please see the attached AV Guidelines for more details to ensure a smooth event.

MEDIA & DELEGATES

Geoff is very happy to spend time before or after his speech with delegates and to do any media interviews pre, during and post event.

BOOKINGS

Geoff can be booked via most speaking bureaus or directly. The rates are the same.
